BABY'S ECZEMA

Top of Head Covered with Scales Which Peeled off Taking Hair with Them.

CURED BY CUTICURA

Now Six Years Old with Thick Hair and Clean Scalp. Cure Permanent.

"My baby was six weeks old when the top of her head became covered with thick scales, which would peel and come off, taking the hair with it. It would soon form again and be as bad as before. My doctor said it was Eczema, and prescribed an ointment, which did no good. I then tried Cuticura Soap and Ointment. I washed her head in warm water and Cuticura Soap and gently combed the scales off. They did not come back and her hair grew out fine and thick. She is now a year and a half old, and has no trace of Eczema."

MRS. C. W. BURGESS, Iranianan Ave., Bridgeport, Conn., Feb. 21, 1898.

"I had kidney trouble for years," writes Mrs. Raymond Conner of Shelton, Wash., "and the doctors could not help me. I tried Foley's Kidney Cure, and the very first dose gave me relief and I am now cured. I cannot say too much for Foley's Kidney Cure." It has been proven to us beyond the shadow of a doubt that Foerg's Remedy will cure Specific Blood Poison—the king of all blood diseases. Therefore why fool with anything but this wonderful remedy if you have any of the mild forms of poisoned blood, such as Scrofula, Eruptions, Pimples, Catarrh, Rheumatism, Salt Rheum or Eczema?

FOERG'S REMEDY IS A SAFE REMEDY

Containing no mercury or other injurious substances; it is an entirely vegetable product and is composed of some of the best and rarest drugs known to science.

Because of their expensive and rare nature, they are very seldom used by the practicing fraternity.

The formula from which Foerg's Remedy is made is the result of many years of study and practice of an eminent physician, who found it wonderfully successful.

If you are a victim of specific blood poisoning, scrofula, or any other form of incipient blood poisoning, your future happiness depends upon whether you recognize in our claims for Foerg's Remedy the ring of truth and sincerity which inspires them, and also whether—recognizing these qualities in our statements—you are willing to give Foerg's Remedy a fair chance to relieve your present suffering, and, by cleansing your system of the foul disease which now occupies it, grant you a new lease on manhood or womanhood.

Remember, also, if you have been a user of mercury or other mineral poisons, your case is not one whit less dangerous.

More than ever do you need the wholesome, active, purging power of Foerg's Remedy to rid your veins of this most baleful drug.

Act now—on the impulse that is in your heart. Go to your druggist or write us and procure the remedy.
